

Bobby Bibb's BBQ Bus

Bring on the hungry hobbyists! Bobby's paper party bus has arrived at the 27th Annual International Paper Modelers Convention!

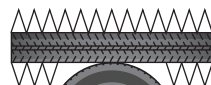

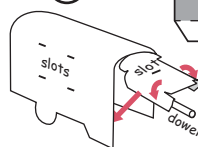

Join us on at the Hampton Inn & Suites in Sterling, Virginia on Oct 25, 2025 After you've checked out all the fine papercraft creations on display at the convention, made by skilled modelmakers just like you, you'll be ready for a delicious lunch-time project like Bobby Bibb's BBQ Bus!

Our specialty is slow-cooked pork, chicken and beef, sliced into mouth-watering pieces, scored and folded on the dotted lines, then topped with your choice of either Uncle Elmer's or Aunt Aleene's secret sauce and served on a freshly-toasted pun.

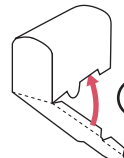

And if your fingers leave a little or a lot of sweet and tangy barbecue sauce on finished paper model, well that's just a bit of Bobby's authentic flavor!
